APPROVED PROJECTS COAST TO COAST

- 108 Group** Grant initially to attend 3 trade shows and to purchase demonstration equipment for use at these. 108 Group sell Ubermilk milk frothers and Markibar coffee grinders to the hospitality industry
www.108group.co.uk
- Adam Drake Did It** A grant for ‘filmmaking equipment and capability improvement’ – Adam is a sole trader running a start-up business offering bespoke video production and post-production services. He has used his grant to purchase the state-of-the-art equipment needed to allow him to produce high quality, engaging videos for his clients and to extend the services he was able to offer, increasing his client base and taking on new contracts.
www.adamdrakedidit.com
- Baker Tom** Purchase of essential pieces of equipment to free up delays in the packaging section and to get the product out to the client more quickly and efficiently
Read more <https://bit.ly/3cjFXyf>
www.bakertom.co.uk
- Becca Williams Jewellery** Grant to purchase two pieces of equipment, a welder to enable more intricate and delicate work, including gemstone work, and a polishing motor with extractor to reduce the amount of workshop dust and reduce the noise
www.beccawilliams.co.uk
- Carrick Roads Studios** Funding to buy photographic and video equipment for a start-up business so that it can produce high end films at affordable prices for local organisations, charities and businesses
Now known as ‘Here Now Films Ltd.’
<https://www.herenow.film/>
- Chocolarder** Funding has enabled them to purchase the equipment they required, upgrade their production line, and set to work growing their market share. This investment resulted in increased sales, which in turn has led to the creation of additional full-time jobs for local people.
www.chocolarder.com
- Christian Smith** Purchase of camera equipment to enable the applicant to diversify into film work in addition to photography
