Access Cornwall CIC

Access Cornwall CIC have developed this ESF project to tackle the barriers that people with Special Educational Needs/Disabilities face to progressing into employment/further learning. This project will offer training in transferable skills, such as communication, IT skills, digital marketing, and business administration in a supportive environment where participants will gain valuable training and work experience opportunities.

<https://accesscornwall.org.uk/about-us/>

Access to work in healthcare

Dynamo Healthcare Training (DHCT) will offer support to people who have been impacted by Covid-19 (particularly those made redundant, over 50 or with disabilities) to access training and support them to prepare for work in healthcare.

[Access to Work | Dynamo Healthcare Training](#)

The Acorn - Cornwall Theatre Company

Funding will enable the theatre to employ a consultancy firm to create and implement a fundraising strategy and action plan. This will enable the theatre to raise funds for themselves bringing them back to, and above their pre-covid standing, this will lead to them being able to employ a part time fundraiser to continue to raise funds, increasing their financial stability as a charity.

www.theacornpenzance.com

ActorBank t/a Avatar Jo

Funding for website development and IT equipment to enable this scenario-based training business to launch new products. Creation of a new job as a result of CLLD funding.

www.avatarjo.co.uk

Adult Education, Cornwall Council

Community learning across West Cornwall through innovative short courses and support from Community Tutors, leading to further education and/or employment.

Awen Productions CIC

Filmmaking and screening equipment to deliver upcoming work and to attract new clients and production investments. This will create sustainable income for the CIC and local freelancers.

www.awen.org.uk

and Investment Funds

Bickerstaff Financial

Production of marketing and informational videos for website, social media and YouTube channel as a useful resource for existing and potential customers

www.bickerstaffs.co.uk

Bosavern Community Farm

The project will use nature-based and horticultural activities to help participants build confidence and skills to overcome barriers and help them progress onto pathways of employment, education or training.

www.bosaverncommunityfarm.org.uk

Bosena Ltd -

A new independent film, TV and interactive cultural content production company for UK, and international films, with a focus on Cornish language and cultural content. CLLD funding will provide business growth investment to develop this new business into a successful, sustainable, independent production company.

Funding has enabled investment in IT equipment and software, alongside PR consultancy and marketing to develop communications infrastructure, capabilities, and capacity (to maximise the impact of secured forthcoming projects and continuing development of Cornish cultural content production and licensing activities). As a result of CLLD funding, a full-time job for a Marketing Producer will be created.

**Cemon Homeopathics Ltd
t/a Inlight Beauty**

Funding for equipment for the business's new purpose-built laboratory where they produce and package 100% organic skincare products. Creation of a new job as a result of CLLD funding.

www.inlightbeauty.co.uk

**Citizens Advice Cornwall –
WiseUp Extra**

The project will provide participants with support and training in money management to improve their understanding and awareness of their finances. This will help participants overcome barriers to work and prevent them facing difficulties including homelessness, debt, involvement in crime, stress and poor mental health; so improving life chances including progressing towards work, education or job search.

CLEAR – Inside Out

This Project will support unemployed and economically inactive people whose mental health and emotional wellbeing has been adversely affected by the Covid-19 'Lockdown' restrictions.

The project will help people to feel safe about reconnecting with their community, build confidence, motivation, and self-esteem alongside providing supported pathways into work and training.

Coast Path Life

Branding, marketing and website for new active clothing brand inspired by and respectful of the natural environment. Creation of new jobs in operations and marketing.

Cornubian Arts and Science Trust (CAST) – Ceramics Studio

Funding secured to convert currently unused spaces, within the CAST building, into a dedicated ceramics studio with adjacent toilet/wet room/tea & coffee making facilities. Funding has also enabled investment in ceramic studio equipment (including a kiln), together with revenue costs for consultancy, branding and marketing support to ensure the studio is used to its full potential.

This ceramic studio will be used for a range of professional, community, and learning activities and will bring in additional rental income to the charity. It will also provide opportunities for hands on workshops, led by professional artists, and provide a facility for up-and-coming ceramists to improve their craft.

**Motiv-8 SW Ltd - West
Cornwall 50+ Connection**

The project will help people predominately aged 50+ access sustainable employment (including self-employment), education and/or training. Motiv-8 SW will provide 'wrap around support' that will encourage people to access local statutory and voluntary support services for all aspects of personal wellbeing e.g. statutory health services, debt and housing advice, friendship/social groups based around recreational activities, volunteering etc. People will see their communities as a place where they can access support as well as giving something back by helping others – they will develop a 'sense of place'.

www.motiv-8sw.com

Old Mushroom farm

This project will provide small workshop rental space close to St. Ives (Where there is a lack of flexible small spaces from which start-ups, micros, and sole traders can operate). The existing open sided structure on site will be replaced with 8 rental workshop units.

The project will assist 8 micro/small businesses and self-employed people to start, strengthen or grow their enterprises which in turn will stimulate local employment.

The relaxed rental terms will allow tenants to make this step without the fear of debt or potential bankruptcy (that a long-term commitment may mean). Tenants will have the space to grow organically with the support of like-minded people and businesses around them.

**Natural Form – Health and
Wellbeing**

Funding will support this small business transition from in-person delivery to an online coaching business model. The business provides holistic health, fitness, and wellness coaching and specialises in corrective exercise for injury self-management, back pain rehabilitation to improve quality of life.

As a result of funding, a job for a Lead Instructor will be created, starting with 18 hours per week with anticipated rise to 36 hours after first 6 months.
